OHA office will be closed

DUMPSTERS

Make sure you are putting your trash **IN** the dumpster, not outside or under it.

DOG WASTE

Some tenants are not picking up after their dogs. There are bags at each site, if they are empty, call the OHA office and let us know. It is your duty as a pet owner to clean up after your dog, it is also part of your lease.

CRITTERS

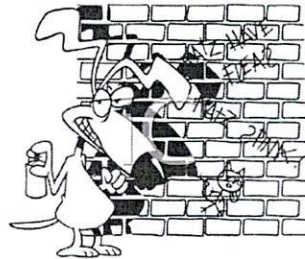

If you have any critters (mice, spiders, bed bugs, cockroaches, fleas, etc.) in your apartment, call the OHA office 641-682-8369 immediately!

LARGE ITEMS

If you have large items that need discarded, do not put outside or by the dumpsters. Call the office.

DO NOT WRITE, PAINT, OR CHALK ON OHA BUILDINGS!
SIDEWALK CHALK CAN BE USED ON THE SIDEWALK ONLY. ANYTHING ELSE
WILL BE CONSIDERED VANDALISM AND YOU WILL BE CHARGED A NUISANCE
FEE AS WELL AS POSSIBLE CRIMINAL CHARGES.

TAGGING VEHICLES

We will be tagging cars to be towed at the owner's expense if they have not moved in 2 weeks, are inoperable, have flat tires, etc.

DOGS

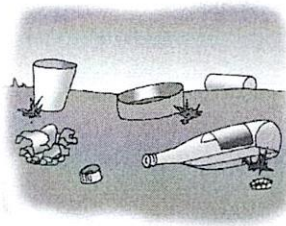

All dogs must be on a leash and handler must be in control of the dog when outside of the apartment at all times. **TIE OUTS ARE NOT TO BE USED!**

MAIL

No one other than those on the lease may use the tenants' address to get mail. If a tenant wants to add or remove anyone from the household, they must contact Kim or Anna.

TRASH

There is an excessive amount of trash on the ground at the sites. Do your part and pick up trash, even if it is not yours.
